

Nantucket Garden Club

Floral Design Annual Report 2024

On June 26th, following the first General Meeting of the Nantucket Garden Club, Gretchen Riley gave a Power Point talk titled “How and Why We Flower Arrange”. The premise of the talk was to inspire arrangers for the 2024 Green Thumb Show.

On July 10th, the 2024 Provisional Class of the Club was invited to a luncheon and workshop at Gretchen Riley’s home. All Provisional members were to bring a container of their choosing. Flowers and mechanics were provided and the Provisionals all made arrangements which were critiqued using GCA

Floraljudging standards. A great educational time was had by all.

On July 15-17th, the Club presented the 2024 Green Thumb Flower Show at the Siasconset Casino. There were 20 highly creative arrangements in five classes. All of the eligible GCA Awards were given.

On August 7th, the 67th Annual House Tour was held. There were over 20 wonderful arrangements done by members of the Club throughout the houses on the Tour.

It was a busy and creative summer for the Nantucket Garden Club.

Respectively submitted,

Gretchen Riley
