

Nantucket Garden Club

Photography Chairperson Report 2023-2024

My goals as the Photography Chairperson have been to keep the club updated and engaged on available photography shows, photography learning opportunities with information and links from other GCA Clubs throughout the year. To help our members with their interest in photography, create a visual history of the club's activities/members and assist with providing a collection of seasonal photos & events for the social media person to post to Facebook, Instagram and our website.

This season we had planned a special class to help our members enter the photography show for the Nautical Nantucket Flower Show. We realized the timing of the show was too close to the show deadline and had to remove it from the program. I encouraged members to enter the show, 2 members entered winning a 2nd & Honorable Mention Award.

Photographed the following:

Misc NGC General Meetings

Collected photos of the Annual Daffodil Show April 26th to 28th

Weeding at the Hadwen House

Scholarship Winners

Nantucket Clean Team July 26th

Nantucket Cottage Hospital Garden

Visiting Gardens Field Trip All Gardens August 2nd

The Annual House Tour August 7th

Gathered the Merit Award Garden Photos 4 Gardens

Annual Meeting August 21st

Also collected photos of the Salt Marsh garden & weeding, Provisional's floral designs, misc photos from members to add to the photo collection to create a slide show of all the photos for presentation at the Annual Meeting.

Photographed and organized Hadwen House photos, Greg Hill paintings for a special awards presentations

Reminder to get photos of the Downtown Window Box Contest for the slide show

I appreciate the opportunity to serve the club and look forward to another year as Photography Chairperson.

Respectfully submitted,

Heidi Drew, Photography Chairperson
